- Height (max) : 1200 mm (6N) | 1220 mm (6L)

\*Max. & min. dimensions are measured with mattress.

## Product Features

## OPERATING TABLE OM - 6N with Accesoris Orthopedi

Üzümcü OM-6N operating tables are designs which can be adjusted to get positions suitable for carrying out all surgical operations, produced by considering the patient and user requirements and maximize the operational efficiency.

Nano surface protection technology is easy to clean, highly resistant to corrosion and has an antibacterial effect that prevents the production and inhabitation of blood and body fluids on the surface.
