

**SPESIFIKASI Soled 15 With ABPS**

NO	PRODUK	SPESIFIKASI	MERK	TYPE	NEGARA ASAL
1	ACEM Surgical Lamp Trolley Mounted With ABPS - ACEM SOLED 15	<p><b>Features :</b></p> <ul style="list-style-type: none"> <li>- LED Illumination, High Brightnes</li> <li>- Lifting and mobile function , Brightnes adjustable, wide range voltage, matched with a handle</li> <li>- Power Supply with AC and Battery</li> <li>- LED examination light for diagnostics, minor surgery and universal applications.</li> <li>- It can be used for intensive care, recovery room, first aid, cosmetic surgery and dental sector</li> <li>- Contains all the advantages of LED technology and is suitable for multi-purpose uses thanks to its flexibility. It assures               <ul style="list-style-type: none"> <li>• excellent light intensity</li> <li>• IR-free light beam</li> <li>• long life</li> <li>• low power consumption</li> </ul> </li> <li>- The high technological level combined with the use of high-powered LEDs</li> <li>- Very linear yield and a negligible performance decay for its entire life duration</li> <li>- Thanks to the high efficiency achieved, has a light intensity of 65.000 Lux 85.000 Lux with "Boost" function) and a low power consumption.</li> <li>- The LEDs layout gives a visual comfort and produces a uniform, homogeneous and shadowless light</li> <li>- A round shape that makes it handy and functional both in use and move.</li> <li>- Its easy-to-move structure is suitable for diagnostics, test labs and dental surgery and its easy-to-grip.</li> <li>- Provided with an I-Sense touch panel to control all the functions of the lamp:               <ul style="list-style-type: none"> <li>• ON/OFF</li> <li>• Light intensity adjustment</li> <li>• Parts selection (SEL)</li> <li>• Brightness increase (Boost)</li> </ul> </li> <li>- Boost" function or "brightness increase" is used to obtain a maximum light intensity in case of a wide light field.This approximate 20% increase deactivates automatically after 5 minutes</li> <li>- Moveable with trolley mounted (Battery On Demand)</li> </ul> <p><b>Thecnical Specification :</b></p> <ul style="list-style-type: none"> <li>- Product Class (EN 60601-2-41) : I</li> <li>- Power supply : 100 – 240 VAC - 50/60 Hz</li> <li>- DC voltage : 24 VDC</li> <li>- Power consumption : 24 W</li> <li>- Light source : LEDs</li> <li>- Average life : 50.000 hrs about</li> <li>- Lighting at the centre, Ec @ 100 cm : 65.000 Lux (85.000 Lux with Boost function)</li> <li>- Light adjustment : 0% - 100%</li> <li>- Lighting area surface 63 cm : 63 cm</li> <li>- Colour temperature, CCT : 4.500 °K</li> <li>- Colour rendering index, Ra : 95</li> <li>- Light field dimension d50@ 100 cm : 12 cm</li> <li>- Light field dimension d10@ 100 cm : 23 cm</li> <li>- Focusable working distance : 70-150 cm</li> <li>- Lighting depth L1+L2 98 : 98 cm (with 60%) 125 cm (with 201%)</li> <li>- Light head weight : 2,1 Kg</li> <li>- Light head diameter : 24 cm</li> <li>- Handle Removable and sterilizable : Removable and sterilizable</li> <li>- Colour : White RAL 9002</li> </ul>	Acem	Soled 15 With ABPS	Italy
